Dear Oakwood College Family:

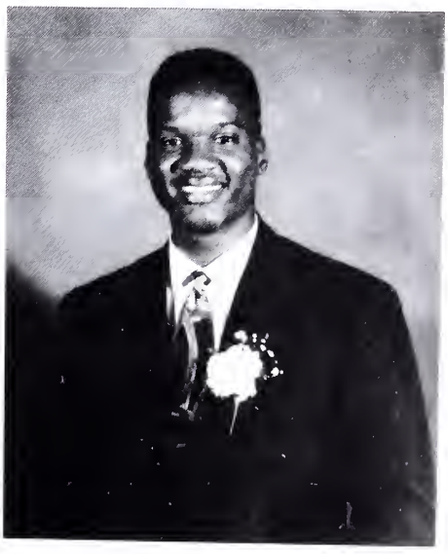

The following pages encompass an institution in which thousands of talented, creative, intelligent youth come from all across the face of the globe to become spiritually, academically, culturally, socially, and physically enhanced. Students come to this place where *loveliness keeps house.* They come to this place which serves as *Today's College for Tomorrow's Leaders.* They come to this place where *precious memories truly last forever.*

This book is full of these memories. From the Moran Hall Dedication Ceremony, the quarterly USM Worship Services at the Oakwood College Church, and the annual Valentine Day Banquet to the Miss Oakwood Pageant, the International Food Festival, and the annual Black History Bowl competition, these precious memories ever linger – flooding our souls. Cherish these memories as you flip through the pages of our successful school year in review.

We salute our entire Oakwood College Family – Board Members, Conferences, Pastors, Church Members, Alumni, College Officers, Parents, Faculty, Staff and Student Body – for making this year a memorable one. Nevertheless, let us not forget the One who is the Source of all good things – God. He holds the keys which continue to open Oakwood College doors enabling young people to learn of His divine goodness. Let us as a family continue to work together, exemplifying **Strength Through Unity**. It is our belief that this will strengthen the advancement of Oakwood College as the only Seventh-day Adventist Historically Black Liberal Arts College.

Sincerely yours,

Carlton P. Byrd
USM President

"Today's College for Tomorrow's Leaders"

FROM THE EDITOR'S DESK

I would like to thank God for the wisdom, creativity, and endurance in editing this special edition Acorn yearbook. Without the earthly assistance of such a dedicated staff who sacrificed the time and talent, the dream of editing Oakwood's first 400 page book of memories would not have become a reality. Their full support in another Oakwood first — "A day in the life" could not have been a success without the perfect combination of individuals working toward an organized goal. To Michelle, Brian, Belvia, Wendy, Mark, Lynthia, Marcelle, and my wife Belinda, thank you for going beyond sacrifice and making the extra effort to serve the students of Oakwood College in this capacity. I do hope that this book of memories will enrich your lives, warm your hearts and bring smiles to your faces now and for many years to come.

Thank you Oakwood College and USM 1993/94.

Paul Williamson

IN DEDICATION

She was welcomed to the world January 11, 1971. Anxiously awaiting her arrival was a sister, Yolanda; two brothers, Nathan and Virgil; Grandparents, Eddie and Lou Ella Rupert and Willie C. and Mattie Reynolds.

Donna, a glowing delightful child, centered her life in the Southside SDA Church, where she attended regularly with her family and was baptized as a child.

She graduated from Monterey Bay Academy in 1989 in Watsonville, California. She received an A.S. degree in nursing from Oakwood College in Huntsville, Alabama in 1992. Recently, she took extension courses from Pacific Union College at White Memorial Hospital in Los Angeles, California, in pursuit of a B.S. in nursing. During Donna's school days, she crossed many paths traveling with the B.A.A. Band and the world renowned M.B.A. Westwinds, and her trailblazing family on vacations. She has touched the hearts of many from California to Europe and Canada to the Caribbean. It was on the steps of the Oakwood College Library that she met a special friend, Deon Williams.

Donna, a registered nurse, was employed at Bakersfield Memorial and Mercy Hospitals. She was an avid photographer, who enjoyed making friends, traveling, and collecting recipes, even though she seldom settled down long enough to try them out.

Her laughter and smiles will be on our memories always. She leaves to cherish her loving memory: parents Willie and Shirley Rupert; brothers, Jethro and Nathan Tucker; sister, Yolanda Baxter, all of Bakersfield, CA; and Mattie Reynolds of Milwaukee, WI; Nieces, Briana, Cori and Paige Tucker and nephew Blake Baxter; and a multitude of family and friends.

A BRIEF MESSAGE FROM the ASSISTANT EDITOR

First let me take this opportunity to thank our Heavenly Father, from whom all blessings flow, and who makes all things possible. I can't say that every moment working on the 1993-1994 yearbook was pleasurable, but I wouldn't be honest if I didn't admit that there were a few good moments. Very few people understand the amount of hard work, time, effort, and SLEEPLESS nights put into this book. Always remember that the more you give to a situation the more you will get out of it.

There are some people who really need to be thanked for their contributions. First of all, Ms. Sarah-Jane Martin for putting up with me and keeping me in tact. Next, I'd like to thank the following people for their relentless efforts: Ms. Janine Benjamin, Marcelle Williams, Wendy Edwards, Lynthia Douglas, Naja Hunt, Belvia Matthews and Mr. Stephen Dulan, Mark Carson, Dana Winston, Brian McGee, Deia Davis and all the others. Finally Mr. Paul Williamson for his for sight, vision and getting on my nerves.

ENJOY!!!

Michelle B.E. Robinson

I Said a Prayer For You Today

I said a prayer for you today
And know God must have heard~
I felt the answer in my heart
Although He spoke no word.
I didn't ask for wealth or fame,
I knew you wouldn't mind,
I asked Him to send treasures
Of a far more lasting kind.
I asked that He'd be near you
At the start of each new day
To grant you health and blessings
And friends to share your way.
I asked for happiness for you
In all things great and small~
But it was for His loving care
I prayed the most of all.

Miss Oakwood 1993

I'll never forget the day I entered my first pageant — the Miss Gainsville Talented Teen Pageant. I was only 17 and for some reason, I can't remember vividly my nervousness, and how scared I was. I hadn't had all of the modeling and dance classes, at least not as many as the other girls. Now I know that all of that wasn't necessary for what God had in store for me.

Now, five years and three pageants later, I can't help but praise God for the doors He has opened for me. When I reflect on my final year at Oakwood, I couldn't have asked for anything more satisfying than representing the one school I love more than any other place on earth. This is truly a special place for every person who has ever experienced AYS or Bell Tower . . . Sabbath Service or just hanging out in the cafe . . . Dynamic Praise or Thursday nite movies in Moran. No matter what event, Oakwood is the reason that makes it so special.

I must thank President Reeves, Dr. Melvin Davis, Mrs. Beverly Preston, my parents, Carol and Cleveland Williams, my campus family: Leroy, Herman, Dean, P.J., Kevin, Kelby, Robert, Ralph, Shimon and Jéwanna.

I also would like to say "thank you" to the former Miss UNCF, Lena Andrews. Without her persistance during the time when I was trying to prepare for the national collegiate pageant, I don't think I would have been as motivated to participate. So Lena, I know this is a surprise, but I'd like you to know that I did more than my best because of you and the things you said to me. So many times I almost gave up, but every time I thought of you and your unique attitude towards the situation, I knew I had to do it, because God had something more in store.

I feel somewhat proud. Now people everywhere know that there's a small, black, Christian school in North Alabama that's more than unique, more than an institution of higher learning. It is a place of spiritual healing and growth. One huge classroom that seems to include a worldwide variety of pupils — with Christ as the instructor.

I love you Oakwood College. May God bless you all. The best of everything to Miss Oakwood 94, Jennifer Gill. I'm sure of your success.

Human strength means nothing
if we are not unified.
How far can we travel
without God as our guide?

Do not disremember
the pain and stressful strain.
Let us harmonize in music
and uplift His holy name.

Cherish every memory
of true friendships that were made.
Soon we will unwind jointly
among the golden blades.

If we all could sing one song
in truth and harmony,
We'd reach our long-awaited goal
of immortality.

With God all things are possible,
diverse as we may be.
For we can prevail in one accord
thru' strength and unity.

The Forgotten Side of Campus

This farm area of campus which seems so desolate was once buzzing with the noise of cattle and dairy production, but now it seems very quiet and sometimes forgotten. Not because we choose to, but because there is nothing worthwhile to draw our attention to that part of the campus. Why do we still hold on to those memories of having a farm? This old farm house and dairy still creates an illusion. To see what the real Oakwood College farm was all about please see a 1965 yearbook.

A DAY IN THE LIFE . . .

"a picture is worth a thousand words" — so the saying goes. if that's true, how many pictures would it take to describe a single day in the life of Oakwood College? (experts agree that the actual number would be somewhere between 1,633,548 and 2,548,322.) anyway, the truth is, we really don't know! but we thought we'd take as many pages as we possibly could to walk you through one day (just one) in the life of Oakwood College. despite morning thundershowers, september 21, 1993 turned out to be the perfect day for the occasion (as you will soon see). over the next forty pages or so, you won't have to bother reading captions or stories or related articles — because like they say — a picture is worth a thousand words.

As is customary in the Winter quarter at Oakwood College, the USM spearheaded the annual Student Week of Spirutual Emphasis. January 23-29, 1994 saw the spirit use this year's speakers in a mighty way. The theme of the week was "One Nation Under God", and the theme song was "He Is Lord". Under the direction of Stephen P. Blackburn, USM Religious Vice-President, seven speakers — voted by the student body — took their turn in allowing God to use them.

Divine Worship

The highlight of the week was Sabbath January 29th. The USM led out for the whole day including Morning Light, held at 7:45 am. Sabbath School was a blessing as Dynamic Praise sang and Oakwood students enthusiastically taught the Sabbath School Classes. Finally, it was time for Divine Worship service. Revelation 14 under the directorships of Chris Richards and Travis Claybrooks, was the featured choir for the service. After the hymn of meditation, "When We Get Over There", Stephen P. Blackburn presented his message entitled, "One Nation Under God". Blackburn called for us to re-evaluate who we are and what we stand for. He also challenged us to modify our approach not only to young people, but the gospel.

CANDLELIGHT & you

By
Carlton U. Forbes

Though the annual Valentine's banquet is usually marked by grandeur, this year's celebration surpassed all others.

This occasion was further enhanced by the promenade of charming couples. They sat sipping non-alcoholic champagne, nibbling delightful vegetarian cuisine; romance filled the air.

Although each performance received rounds of applause, none matched the resounding applause following the featured entertainment of Miss Vanessa Bell Armstrong.

The theme "Candlelight & You" will undoubtedly evoke a surge of pleasant recollections.

1994 Senior class Lock in

Student Center TV room

The senior class lock in was the first social get together for the group. Everyone ate, mingled, played games, and watched videos as the night went on. They all slumbered and slept until 6am Sunday morning.

ΔΣΘ

We

Hall

The highlight of the **Youth Motivational Task Force** was **"Meet the Congressman"** on January 31. The program which was held in the Moran Hall auditorium commenced promptly at 4:30 pm.

Dr. Donna Willis, introduced the Democratic Chairman of the Congressional Black Caucus. Willis describes Kweisi Mfume as a man on a mission who is aware of the important role of the African American.

Mfume admonished the student body to help define a man or woman in the true sense.

Mufume closed his address by letting us know that "life is a short commodity". Although this might be true, he believes that God smiles and gives second chances when we help ourselves.

THE CARIBBEAN CLUB MINI EXPO

The Caribbean Club made its first public appearance on January 29th 1994 in the Student Center Conference room. Club president David Newton outlined the plans at the mini festival, which drew a large multinational crowd. Also in attendance were Dean York one of the club's sponsors and a Russian Professor from Alabama A&M. Dr. Dormer spoke briefly about the opportunities and possibilities we have at our disposal.

From that moment onward it was fun, food, and fashion. The multicultural fashion show was the hit of the evening, with the exquisite garments worn by the models. Everyone left feeling full and satisfied with the picture they now have of the revised Caribbean Club.

WORLD YEARBOOK

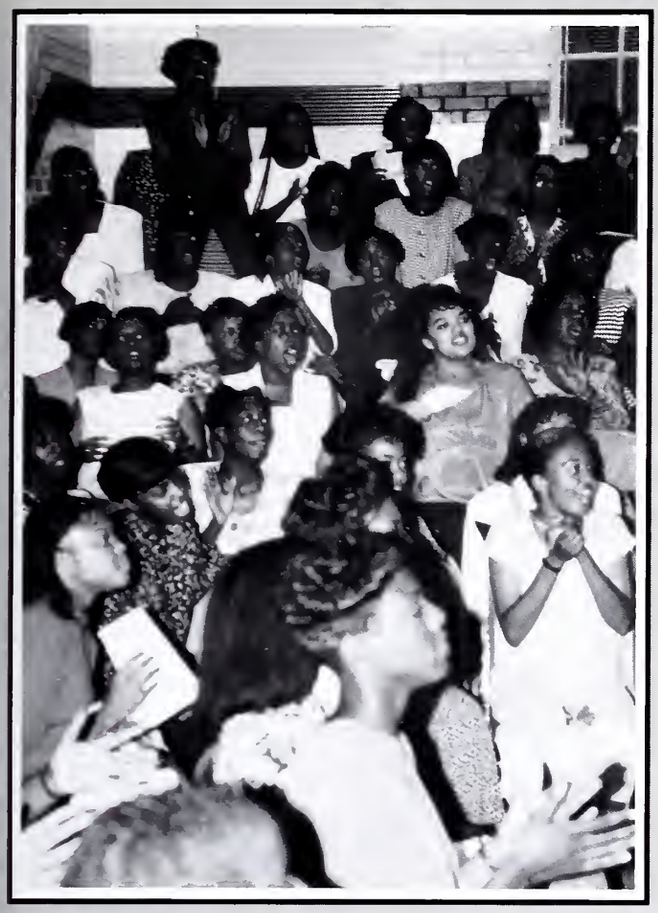

Dynamic Praise is one of the largest organizations on the campus of Oakwood College. It is second only to the USM itself. It is the largest gospel choir on campus. However, one weekend in October, something extraordinary happened. Mr. Lloyd Mallary visited his alma mater and caused a spectacular change in Dynamic Praise.

In Friday night rehearsal, Mr. Mallary taught the choir the Negro spiritual entitled *Give Me That Old Time Religion.* The director, Owen Simons, put aside his leadership for that weekend so that Lloyd Mallary could work with the choir until he got them where he wanted them. The choir made their debut of the song that Saturday night at the New Life Seventh-day Adventist Church. Nearly 180 people lifted their voices in praise with a Negro spiritual. This event showed to the student body and the Huntsville community, just how versatile Dynamic Praise can be.

Beta Alpha Theta

Beta Alpha Theta, the women of orange and blue, a.k.a. Sapphires, is a Black, female, social organization that strives for excellence in all aspects of an individual's development. Beta Alpha Theta was founded on Oakwood's campus March 26, 1990 and celebrates its fourth anniversary this year.

The 1993/94 school year showed itself busy as the Sapphires spread themselves thin with community service work, internal activities and fund-raisers, and USM projects. The organization donated two-hundred dollars to the USM for the new piano in Moran Hall. A large reproduction of a check was presented on January 27 and now hangs in the USM President's office. A first-time fund-raiser — Hershey's hugs and kisses delivery on Valentines Day — provided to be a large success. Members of Beta Alpha Theta participated in an agape feast hosted by Zeta Lambda Psi and several activities with their brother organization, Gamma Psi Gamma.

Although Greek organizations on campus are continuously negatively stereotyped, Beta Alpha Theta is moving in a positive direction to pave the way for others.

1993/94 officers: President — Eleanor Palmer, Vice-President — Patrice McDonald, Secretary — ShâLena Wisdom, Treasurer — Sharon Hudson, Chaplain — Bonita Hector, Sergeant-at-Arms — Sophia Walker, Sponsor — Evelyn Tucker, JD

Other campus members include: Marcia Turner, Danette Bryant, Laronica Owens, Angela Davis-Taylor, Shirley Perry, Jocelyn Williams, Maisha Parker, Antionette Edwards, Lianne Gabriel, Leslie Austin, Petal Peters, Tiffany Palmer, Camisha Meeks, Nika Hamilton, Maria Patterson, Hyacinth Thomas, and Delhia August.

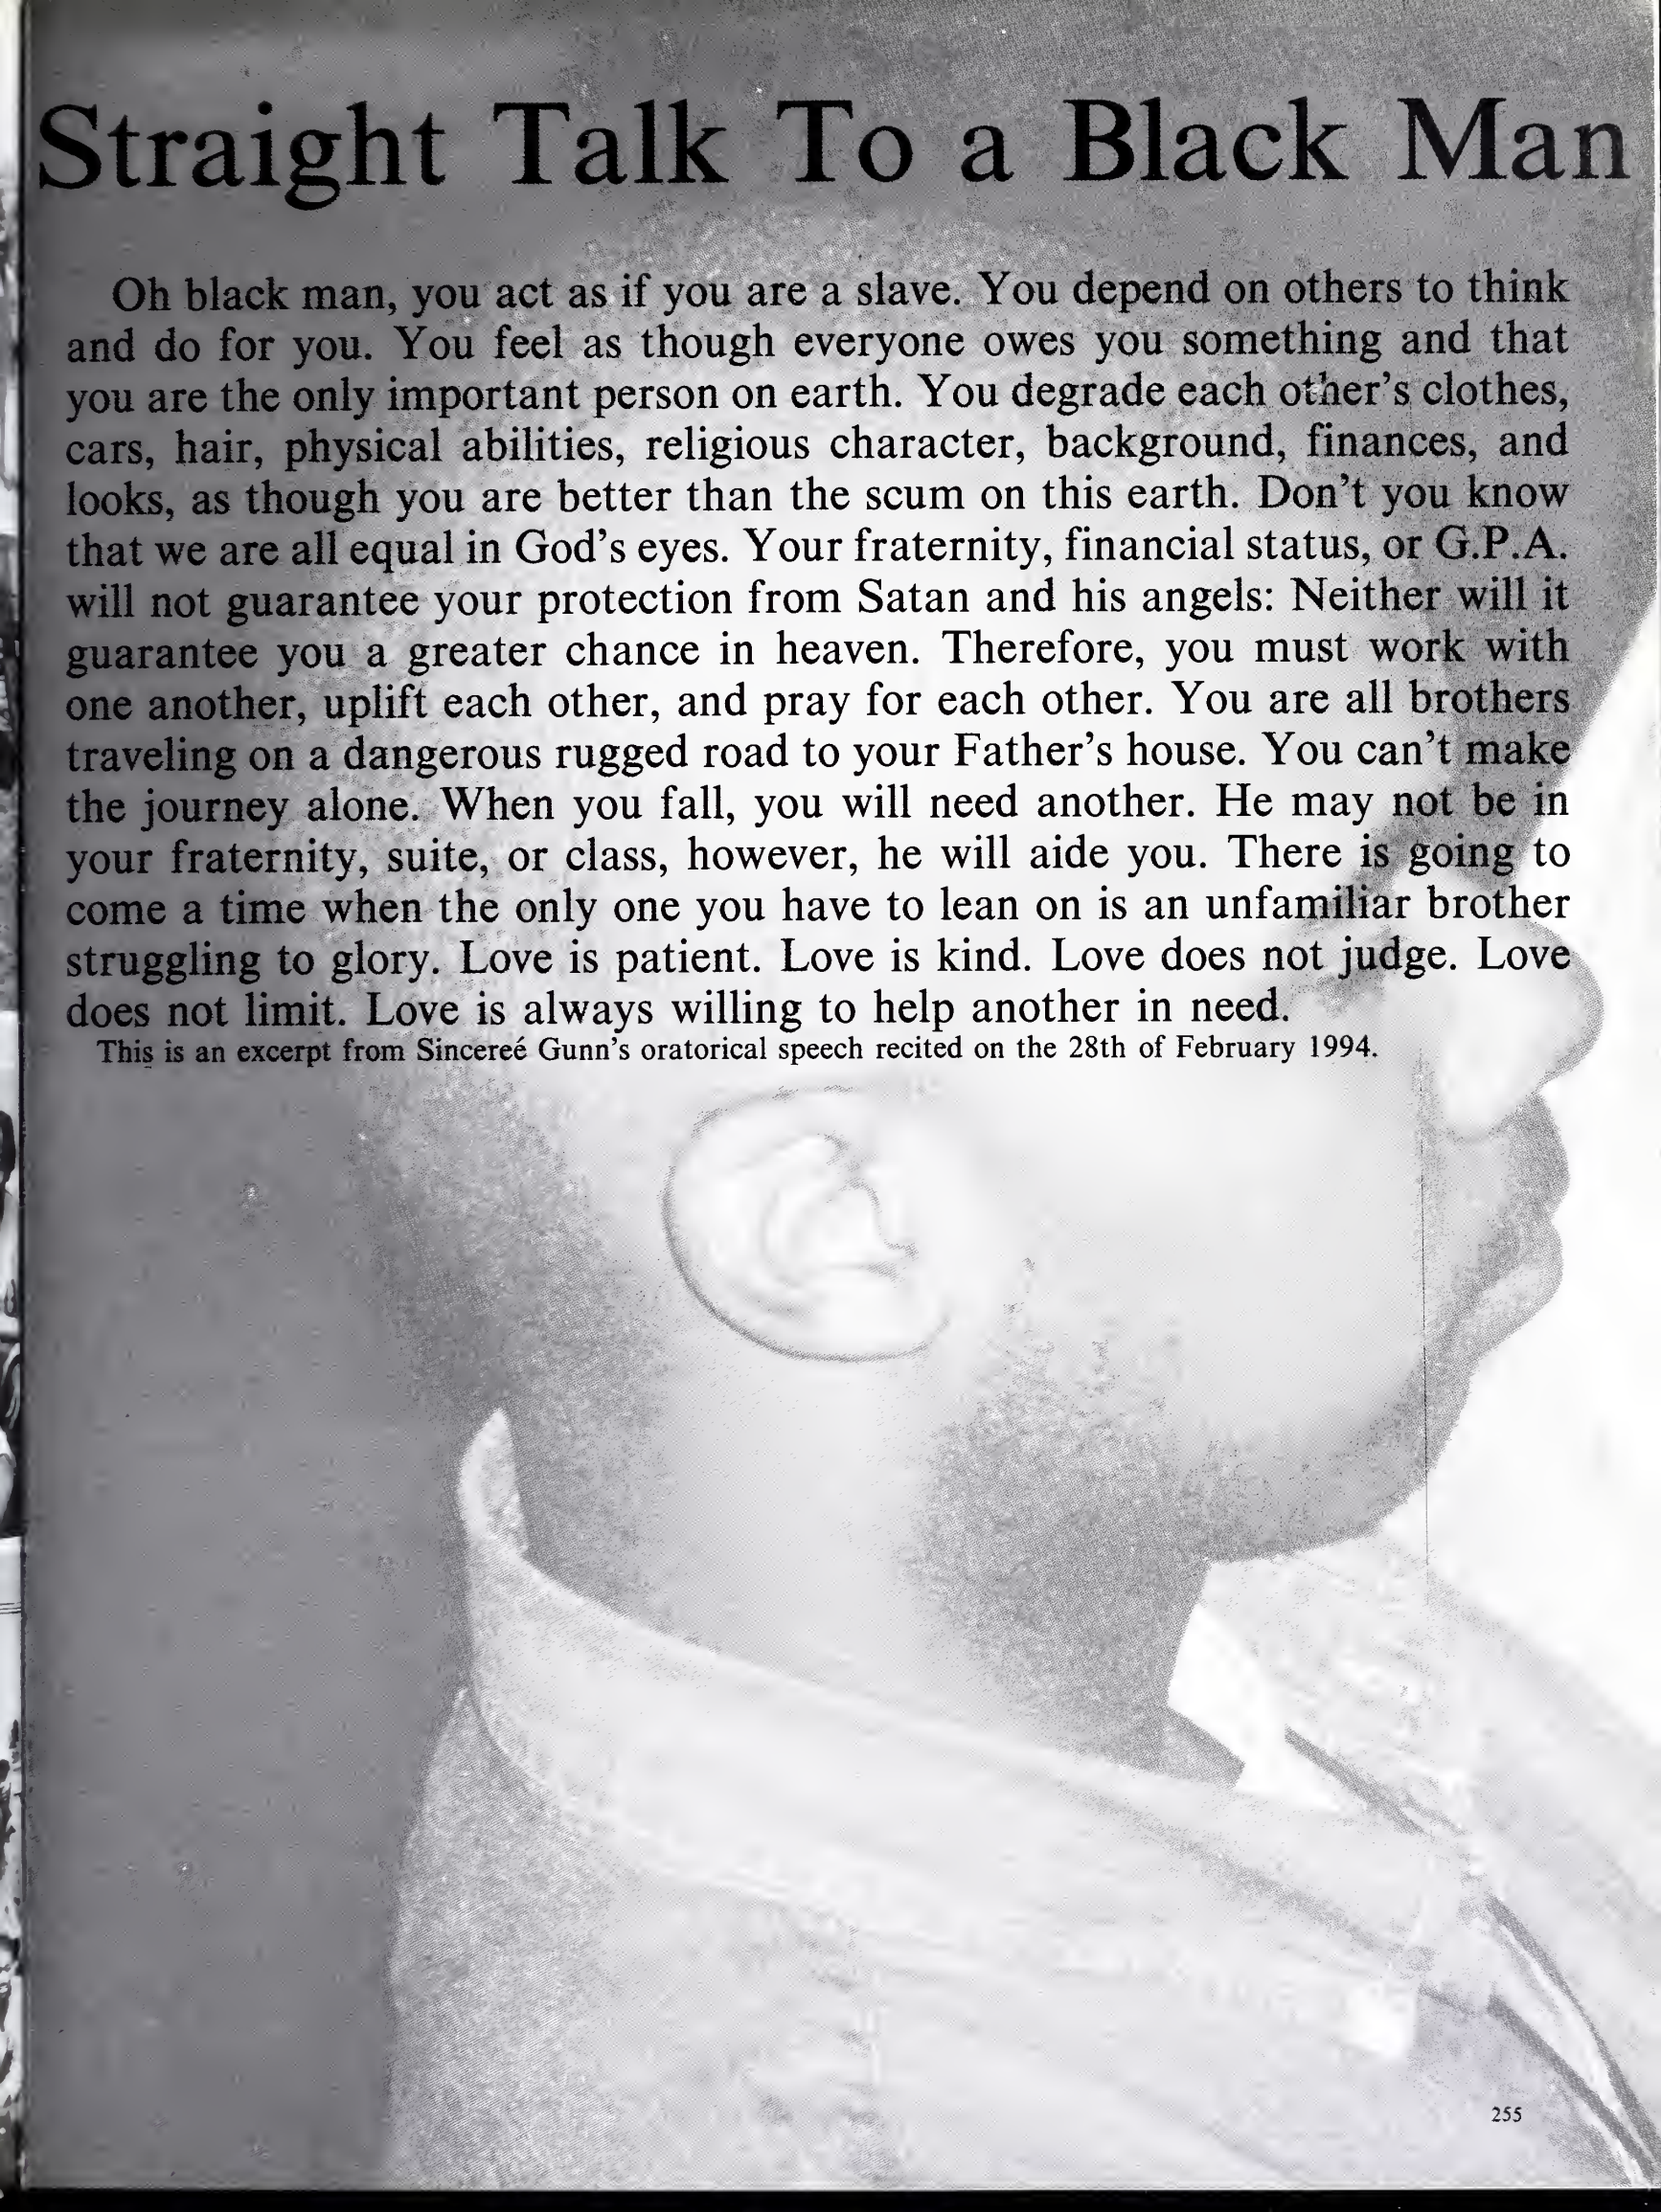

Straight Talk To a Black Man

Oh black man, you act as if you are a slave. You depend on others to think and do for you. You feel as though everyone owes you something and that you are the only important person on earth. You degrade each other's clothes, cars, hair, physical abilities, religious character, background, finances, and looks, as though you are better than the scum on this earth. Don't you know that we are all equal in God's eyes. Your fraternity, financial status, or G.P.A. will not guarantee your protection from Satan and his angels: Neither will it guarantee you a greater chance in heaven. Therefore, you must work with one another, uplift each other, and pray for each other. You are all brothers traveling on a dangerous rugged road to your Father's house. You can't make the journey alone. When you fall, you will need another. He may not be in your fraternity, suite, or class, however, he will aide you. There is going to come a time when the only one you have to lean on is an unfamiliar brother struggling to glory. Love is patient. Love is kind. Love does not judge. Love does not limit. Love is always willing to help another in need.

This is an excerpt from Sincereé Gunn's oratorical speech recited on the 28th of February 1994.

Zeta Alpha Gamma Psi, Inc. was founded on October 10, 1984 by aspiring students with vision at Oakwood College. Their goal was to cultivate academic, cultural, and spiritual growth of members and had as their motto "Bettering the Black Man by Bettering Ourselves". Ten years later, the same motto and goals stand. As the name suggests, "Men of Distinction" is what the members strive to be. Pride is taken in the fact that the brothers are involved as individuals and exhibit positiveness as elite achievers, and strong leaders.

On October 10, 1993, the Men of Distinction, an elite men's society on campus, became incorporated as an official national organization. A private ceremony — in company with members and close friends — was held in the Wade Hall chapel celebrating the signing of the final documents in the incorporation process. Members are proud to be recognized across the country as Zeta Alpha Gamma Psi, Incorporated . . . the Men of Distinction.

First Lady **Hillary Rodham Clinton** chaired the White House task force that devised the health security plan. The proposal calls for employers to pay 80 percent of their workers' average health-care premiums and workers would pay the rest. Small businesses and low-wage workers would get subsidies to help them pay their share. The plan would cost the federal government an extra $350 billion over five years, and Clinton hopes to get most of that money from holding down spending on Medicaid and Medicare, boosting cigarette taxes by about 80-cents a pack and imposing a special levy on corporations that set up their own health plans.

The people of Haiti anxiously awaited the return of their elected president, the **Rev. Jean-Bertrand Aristide.** After two years of exile that followed an army coup that overthrew him, President Aristide was set to return home. Aristide, a Roman Catholic priest, was elected in a landslide in the country's first democratic vote. His return followed two years of negotiating a settlement of Haiti's political crisis.

Soccer

Soccer, also affectionately known as "football" outside the United States, is a sport that attracts a lot of attention. Not only is it good exercise, but it is also a lot of fun.

Many young men at Oakwood know this and gather every Sunday on the field in between Wade Hall and the Science Complex to play. Many of these men hail from the beautiful island of Bermuda and as far away from the distant shores of the "motherland" Africa. This is one of the most popular sports in these areas.

Since International students make up a large portion of the Oakwood family, maybe soccer, which is one of the largest past times of their cultural background, will become one of the many Intramural sports here on campus.

Women's Volleyball

This year was Oakwood's first volleyball competition for women. It was fun and exciting and many women displayed their ability in the sport.

As the years continue, more and more women will want to get involved in this competition.

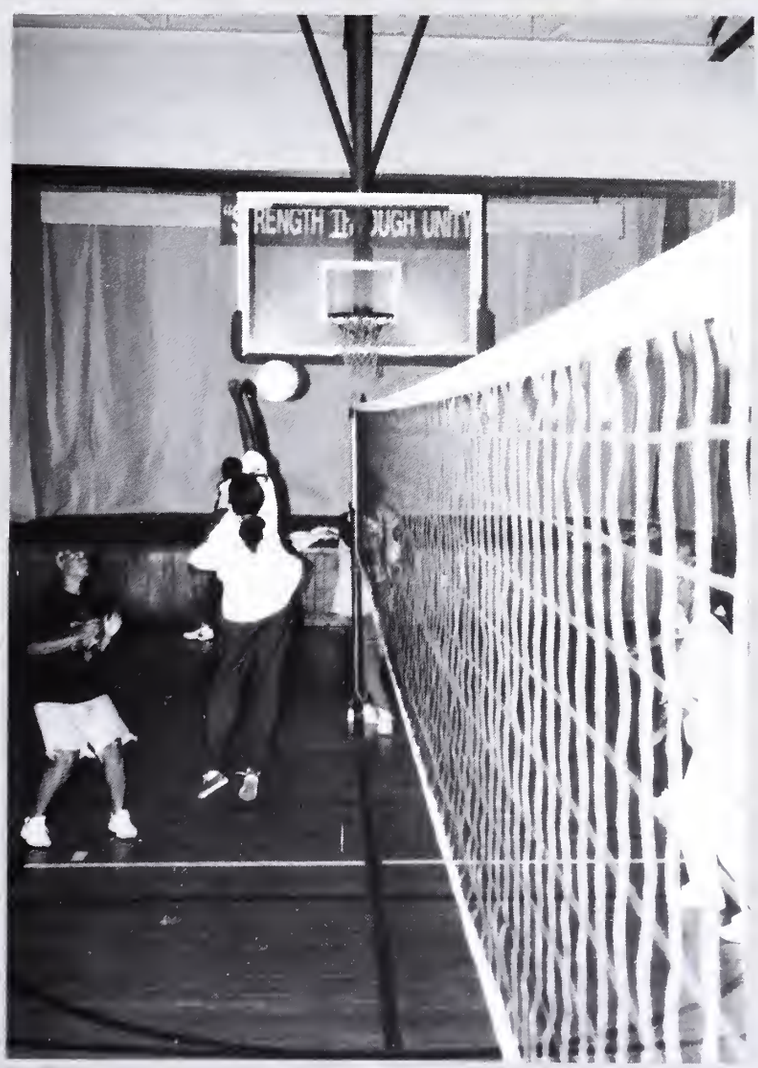

STRENGTH THROUGH UNITY

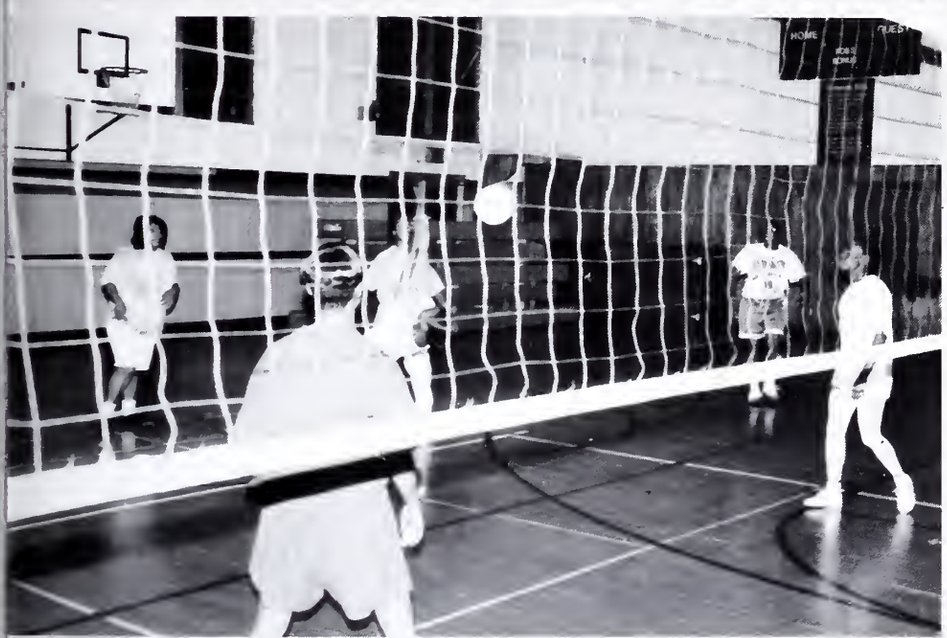

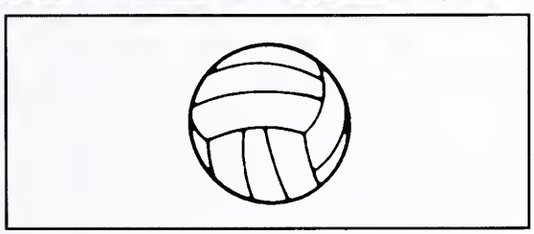

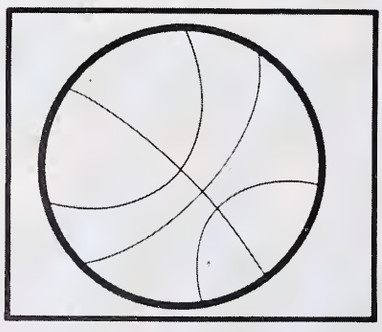

Women's Intramural Basketball

"Playing Ball" is what most people consider a man's sport, but the women of Oakwood have proven that myth wrong.

Along with their grace and their beauty, they dominate the court and demonstrate how to play the game.

This year, some of Oakwood's finest women came out on the court and showed us what they were made of. The action was intense and tough at times. They played hard and earned as much playing time on the courts as the men have. We need to give our Great Women the utmost respect.

Whoever said that 1993 Career Fair was just another Career Fair probably thought Andrew has just another storm. On October 6, Oakwood College went all out to make the tradition memorable. Sure there were unusual booths, brochures, buttons that came along with the affair, but add employers and personnel from more graduate schools than ever before . . . Never mind the air show that Michael Jordan would envy . . .

The Year in Review

In September the **Bosnia** parliament rejected an international peace plan for that devastated republic. The move, postponed a settlement that would have eneded the 18-month-old war that has partitioned the country into three ethnic states for Croats, Muslims and Serbs. The United Nations has sent a peace-keeping force to the former Yugoslavia to keep peace among the three waring factions. Tens of thousands of people have been killed in the conflict and more than a million have been left homeless.

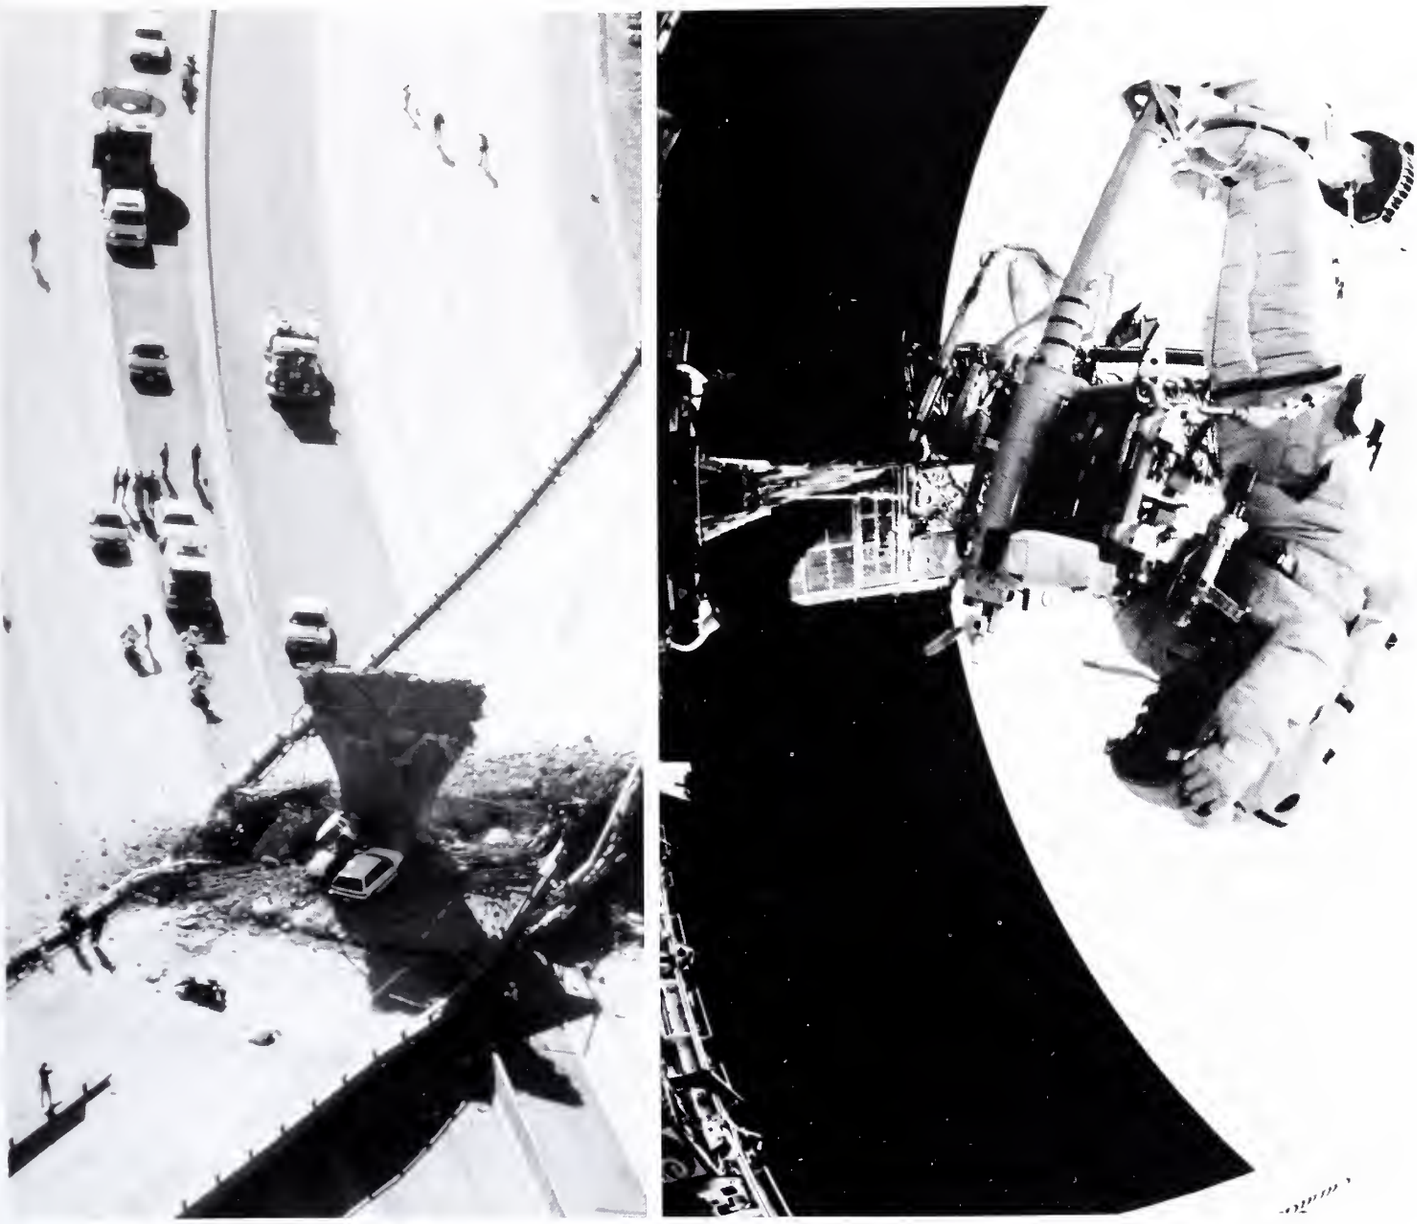

Floods hit the Midwest in late spring and early summer — thousands of farms and homes were lost, fields were swamped and towns were submerged. The states that got hit the hardest were Iowa, Illinois and Missouri, causing billions of dollars worth of damage. As the waters began to recede, barges began moving along the Mississippi River and people began digging out their mud-filled homes. President Clinton signed a $5.7 million aid package to help the victims.

The Dallas Cowboys became only the fifth team to repeat as **Super Bowl** champions with a 30-13 victory over the Buffalo Bills in Super Bowl XXVIII at the Georgia Dome in Atlanta. The loss extended the Bills' record to four straight Super Bowl losses. Emmitt Smith of the Cowboys won the MVP award.

Forty seconds that shook Los Angeles. At 4:31 on Monday morning, January 17, an **earthquake** registering 6.6 on the Richter Scale jolted residents of Southern California from their sleep. It was not The Big One, but it left at least 55 people dead, brought down major freeways and destroyed or damaged thousands of homes. The quake caused an estimated $30 billion in damage. In the city of Los Angeles, 4,500 apartments and houses were declared uninhabitable. School district officials estimated building damage at $700 million.

The 11-member crew of the space shuttle Endeavor had one mission; repair the **Hubble Space Telescope.** The Hubble was launched in 1990. But defects in its reflective mirrors prevented sharp images of faint stars at the edge of the universe. The Endeavor was launched on December 2 and chased the Hubble for 820,000 miles over two days before it was plucked from a 367-mile-high orbit. The fix-it crew labored in pairs through a record five spacewalks as the $1.6 billion, 43-foot telescope rode in the open shuttle cargo bay. The $629 million repair mission was a success.

I'M EVERY WOMAN
MISS OAKWOOD COLLEGE '94

The year 1993 marked another historical and what will be a traditional event for Oakwood College. T first Miss Oakwood College Pageant held on Thursday, November 11, 1993 in the newly renovated Mo Hall, could be described as one of the most fascinating pageants in the city of Huntsville.

The pictures shown of this event is a small reflection of the talent displayed by all the contestants of t auspicious pageant. Spirits were high as the audience, comprised of many distinguished guests and stude cheered the contestants on as they made their appearances. One of our faculty members, Mrs. Evelyn Tuc remarked "Man this is great talent this is wonderful."

The title of the program was, "I'm Every Woman," which was truly depicted in monologues, songs, a recitations. Those of us as students who witnessed this program coordinated by Carmen Hope and Compa will never forget this enchanting occasion.

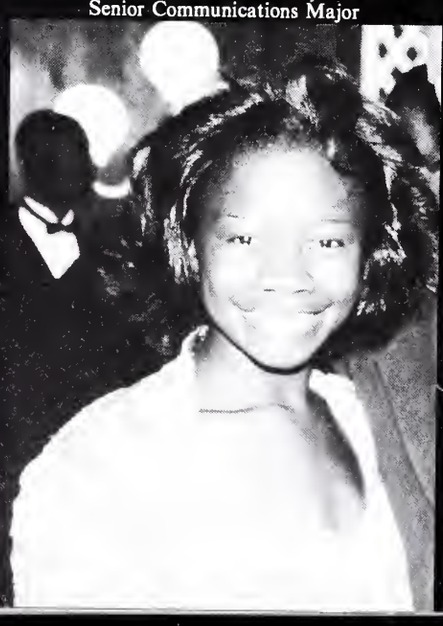

Miss Jennifer Gill was crowned the 1994 Miss Oakwood College.

March on Birmingham

Huntsville is not so far removed from Birmingham, Alabama that the name of this city has the elusive ring of some place remote from one's own world of reality. At Oakwood College the celebration was made poignant as students from Africa, Britain, the Carribean Islands, Canada, and states stretching between New York and California, realized that, except for the grace of God, men like Martin Luther King, and the thousands of nameless men and women who risked life and limb to change the intolerable, except for them, the days of Jim Crow, backdoors and segregation would be as tangibly real as the apartheid prevalent in South Africa at this very hour.

On Sunday January 16, 1994, the Oakwood College student body held its own "special" Martin Luther King Jr. (M.L.K.) holiday celebration to commemorate the birthday of the slain Civil-rights leader. The program was a mixture of glorious reflective music, powerful poetic presentations, and an inspiring, uplifting sermon. The address was given by Dr. Marvin Warren, head of OC's Religion and Theology Department.

The Dream Lives On

The PLO and Israel, in a historic breakthrough after decades of warfare, agreed to officially recognize each other. One of the prime architects of that agreement was Israel's foreign minister, **Shimon Peres.**

Janet Reno is the first woman attorney general of the United States. As the nation's head crime fighter, she confronts growing problems — drugs, gangs, violence. The 55-year-old prosecutor — a self-described "awkward old-maid" — has become a crusader for America's children. Reno's save the family campaign is one of her many projects.

MORAN HALL THEN

Built in 1939 with rocks gathered by students from Oakwood's own rock quarry. Moran Hall, named for the institution's first African American president James L. Moran. Moran Hall, still stands as a magnificent monument, which symbolizes Oakwood's unique heritage.

Initially, Moran Hall was used as a multi-purpose facility. It housed four administrative offices, ten classrooms, and a recreation center, as well as an auditorium with 540 seats. After many years of use the interior needed renovation. Miss Carla R. Byrd, president of the U.S.M. (1990/91) launched the "Moran Hall Renovation Project" designed to raise $300,000 needed for this undertaking. Due to the time restraint of a one-year term, it was necessary to win the support of succeeding student government presidents. Both Thomas Felder (1991/92) and Furman F. Fordham II (1992/93) pledged their continued commitment to tap all available sources which could fiance the face lift of this historic structure. This made it easier for Carlton P. Byrd (1993/94) to oversee the completion of the project.

On January 15 the all new Dating Game took place. The host of the evening was Peter Vanderberg, who took the job very seriously. The winners of the first set were Evelyn Fordham and Khalid Parris. After the game had gotten on the way the audience really got into the spirit. The winners of the second set were Shimon Taylor and Kristina Morris. Myla McKoy was one of the audiences favorite bachelorettes. Some of the questions asked were "If you were an animal what animal would you be?" "What is your idea of a romantic date?" and "What would you do for a Klondike bar?" The answers were creative considering the contestants were under considerable pressure. The game ended on a high note and everyone involved and the audience had a good evening and lots of fun.

OAKWOOD COLLEGE UNITING AFRICAN AMERICANS FOR LIFE

In Ghana, on the western coast of Africa, this symbol stands for Unity In African-American communities, it is a symbol for all people uniting in an effort to save lives. Every year thousands of African-American adults and children die from leukemia and other fatal blood diseases. Many could be cured through a marrow transplant. Unfortunately, only 30% of these patients will find a compatible donor among family members. In most cases an unrelated donor must be found, and will most likely come from the same racial group.

That's why African-American volunteer donors are urgently needed. You can help by joining the National Marrow Donor Program Registry. Joining the computerized Registry by taking a simple blood test is the first step in making this life-saving commitment. If you are between the ages of 18 and 55 and in good health, find out how you can join.

Heidi Day, organizer of t Oakwood College Afric American National Marrow Don Project Regist

Heidi Day a junior psychology major organized the second African American Marrow Donor Program on Oakwood College campus, January 27, 1994. Oakwood, by far, led the southeastern region among historically black colleges for the second year in a row. This year 260 Oakwood students, staff, and faculty participated in the event.

The drive began at 10am with a steady flow of people throughout the day. However, not all were so willing to donate, but once they understood that our people are dying because of lack of African American donors, those who were hesitant willingly gave. The drive ended at 6pm with the organizers having to turn away further donors.

Thanks Oakwood for making the drive a success! by Coleen Vaz

Helping to keep the environment clean became an important goal and a corporate mandate for many companies. Johnson & Johnson, McDonald's Corp. and leading users of paper-based products took an unprecedented environmental initiative and joined together to boost their use of **recycled paper.** Working with the Environmental Defense Fund, the companies will help devise ways to increase their use of recycled paper and encourage their suppliers to use more environmentally sound methods to make paper products.

Enemies to the death for three decades, Israel and the Palestine Liberation Organization opened a new era in their blood-soaked history by recognizing each other's legitimacy. Prime Minister Yatzhak Rabin and the P.L.O. chairman, Yasser Arafat, signed a treaty at the White House. The **Mideast** accord was the product of months of secret negotiations conducted mainly in Norway. The accord sanctioned the creation of an autonomous Palestinian homeland in the Gaza Strip and Jericho.

Mohamed Farrah Aidid, the feared warlord in the devastated country of Somalia, eluded United Nations military forces for months. A U.S.-led multinational force arrived in the war-torn country last year to help feed starvation population and bring peace to country that was run by warlords. Aidid was considered the most powerful of the warlords and was blamed for numerous attacks on the military. The power struggle in Somalia left tens of thousands dead and allowed the country to be carved into a collection of clan fiefdoms in the absence of a central government. More than 350,000 Somalis died from the fighting and famine.

Lumberjacks clashed with environmentalists in the Northwest part of the country over the fate of some of the nation's oldest forests. President Clinton tried to bring the two sides together to agree on the future of the region's old-growth forests, which have provided both timber for the **logging industry** and homes to the threatened spotted owl and other species.

Nancy Kerrigan, who won a bronze medal for figure skating at the 1993 Olympics, was expected to win the national figure skating title in Detroit in early January. But before she had a chance to compete, she was bashed on the knee by an unidentified assailant. Tonya Harding, who came in fourth at the 1992 Olympics, won the title. Nearly a month later, Tonya Harding's former husband, Jeff Gilloohy, pleaded guilty in the assault case. Miss Harding had consistently denied any role in planning the attack on her competitor. Within two weeks of the attack, the 24-year-old Miss Kerrigan was completing her most difficult jumps in practice, including the double axel, and she was on the Olympic team.

The Toronto Blue Jays won the 1993 **World Series.** Joe Carter became the second player to end a World Series with a home run, hitting a three-run shot off Mitch Williams in the ninth inning of Game Six that gave the Blue Jays their second straight championship with an 8-6 victory over the Philadelphia Phillies. Toronto became the first repeat World Series champions since the 1978 New York Yankees.

Ruth Bader Ginsburg became the second female Supreme Court Justice. She joins Sandra Day O'Connor, a justice since 1981. Ginsburg, 60, is the 107th high court justice. She had won several landmark Supreme Court cases as a lawyer for the American Civil Liberties Union Women's Rights Project in the 1970's. She was the prime architect of the then-radical legal argument that the Constitution most often requires equal treatment for men and women.

Bosnian President **Alijah Izetbegovic** says he is disillusioned about the world's willingness to take action to end bloodshed in his country. Bosnia Serbs have been fighting for their own state. The fighting began after Muslims and Croats — together about 60 percent of Bosnia — voted earlier this year to secede from Yugoslavia. Izetbegovic heads a seven-member presidency, comprised of two Muslims, two Croats, two Serbs and one representative of other minorities, such as Hungarians and Jews.

& TELL

Wildfires swept through Southern California in November. The 26 major fires scorched patches from Ventura County to the Mexican border. Flames consumed a total of 200,000 acres and damaged or destroyed more than 1,000 buildings. At least three people were killed. Nineteen of the fires were believed to have been arson. Thousands of firefighters from around the state fought the blazes without pause for days. And unpredictable winds whipped the flames from hillside to hillside and house to house.

Prime Minister **Kim Campbell** is the first woman to lead Canada. She succeeded Brian Mulroney after being chosen at a Progressive Conservative convention in June. Campbell is a 46-year-old former Vancouver lawyer and relative newcomer to federal politics. After a summer of image building that raised her standing in the polls, Campbell called for a general election before the end of the year.

Russian President **Boris Yeltsin** dissolved parliament in an unprecedented move in late September and announced new elections in a bold move to end his long-running feud with hard-liners. In a televised speech that stunned the country, Yeltsin said he was dismissing the legislature to pull the country out of its political and economic crisis. Parliament has "lost the right to remain at the key levers of state power," he said. Riots broke out several days later and Yeltsin called in the army to restore peace.

The **AIDS** virus continues to spread. The Centers for Disease Control and Prevention estimate there will be 40,000 to 80,000 new HIV infections in the United States this year. President Clinton appointed Kristine Gebbie as his AIDS policy coordinator, also called the AIDS czar, to oversee government AIDS programs.

ONE MORE YEAR . . .

One more year of promises made,
One more year of bills paid.

A couple more months of memories from this place,
A couple more days left to enjoy familiar tastes.

One more year to make a serious change,
To hit the books, study hard, and forever rearrange.

God help me to do my very best,
To open my mind through every quiz or test.

Teach me to think, before the things I say,
Not to put people down, But make someone's day.
